## Solution

MRA Group has entrusted RHJ Associates, P.C. (RHJ) with advising them in repositioning each building on the Springhouse Campus to suit current market trends and make them more desirable to tenants. In addition to core and shell renovations RHJ worked hand in hand with MRA's leasing team to meet with tenants, provide renderings and test fits to aid in lease negotiations. Once the deal is complete, RHJ provides full service architectural and interior design services to deliver the tenant suite as promised.
