Solution

Planet Fitness is one of the world's largest and fastest growing fitness franchises. Known as a "Judgement Free Zone" to its members and a valued client to us, RHJ Associates has spent the last decade helping franchisees in the design of their clubs from conception through completion. Our understanding of the brand and its core objectives, presentation goals and design needs has earned our office the privilege of being named one of Corporate's mandatory architectural firms for the roll out of clubs throughout the United States and Mexico. Our franchisees value our office's ability to provide quick and accurate responses and solutions to both site specific opportunities and challenges as or before they arise.
